May 31<sup>st</sup> - 10 AM MASS

Fr. Bill Halbing, Celebrant

337 So. Orange Ave., Newark, NJ 07103

In February 1967, a group of faculty and students from Duquesne University, Pittsburgh, Pa., gathered for a weekend retreat which is now considered the beginning of the Catholic Charismatic Renewal. The retreat focused on the first four chapters of the Acts of the Apostles with an expectation that the Holy Spirit would make His presence felt. They were not disappointed. All present experienced a deep work of God within their Spirits, and gifts were manifested among them. Forty-two years later tens of millions of Catholics all over the world continue to experience the grace of the Baptism of the Holy Spirit. Pope John Paul II said: *“I am convinced that this movement is a very important component of the entire renewal of the Church and that it is a sign of the Spirit’s action.”* A six week teaching series called the Life in the Spirit Seminar (LSS) has been developed and will be presented by George & MaryAnn McGehrin, LSS Coordinators. Topics will include talks & discussions on God’s Love, Salvation, the New Life, Receiving God’s Gift, the Baptism in the Holy Spirit, and Growth & Transformation.
